

UTSA ADVANCED ROBOTICS

Waiver of Liability

While an active AR member and in consideration of permission to use the equipment and services provided by Advanced Robotics and the Laboratory Space (the “Laboratory”), I agree to release, waive, and discharge Advanced Robotics and its members from all claims, including the negligence of AR resulting in personal injury, accidents or illnesses, and damage to property arising from, but not limited to, the use of equipment in the AR Laboratory, involvement in a project provided by AR, or participation in events and activities hosted by AR.

Assumption of Risk: I agree that the use of AR’s property, equipment, and services carries inherent dangers and risks that cannot be eliminated, regardless of the care taken to avoid injuries, accidents, illnesses, and damage to property. Aware of these risks, I agree to abide by the guidelines and rules set forth for the Laboratory and its occupants to reduce potential risks for individuals occupying the Laboratory.

I have read the previous paragraphs and understand these and other risks that are inherent in the activities made possible by AR and the Laboratory. I assert that my participation is voluntary and I knowingly assume all such risks. I also affirm that I am in good health and have no impediments which would endanger me or others while in the Laboratory or while using any Laboratory equipment. In the case impediments arise, I agree to consult the Executive Board of AR and make them aware of such issues.

Indemnification and Hold Harmless: I further agree to indemnify and relieve AR from all accountability regarding claims, actions, procedures, costs, expenses, damages, and liabilities brought forth through my use of the Laboratory and its Equipment. In the event damage or loss to AR Equipment occurs under my use, I agree to reimburse AR at my own expense.

Acknowledgment and Understanding: I have read this waiver of liability and indemnity agreement, fully understand its terms, and understand that I am giving up the aforementioned rights. I acknowledge that I am signing this agreement voluntarily, and I intend my signature to be a complete release of the liabilities brought forth in this waiver for the duration of my membership under Advanced Robotics.
