## **In-Person Meeting Waiver of Liability**

As a member of Advanced Robotics (AR) and a student at The University of Texas at San Antonio (UTSA), I hereby sign this contract to release all liability, including but not limited to bodily injuries and compromise of health, towards Advanced Robotics by attending an in-person AR meeting. I understand I am not required to attend an in-person meeting or be coerced into attending one.

Lastly, I agree to adhere by and uphold all regulations provided by UTSA and Advanced Robotics, and that I am signing this document through my own free will.

Thank you,

UTSA AR Executive Board
